

Bug 01

Title: Tabs Displaying English Text Instead of Arabic on Home Page However the App Language is Arabic

Application Name: GO Bus

Platform: Android

Android Version: 11

Application Version: 3.2.9

Severity: High

Priority: Medium

Steps to Reproduce:

Open the GO Bus application.

Open home page.

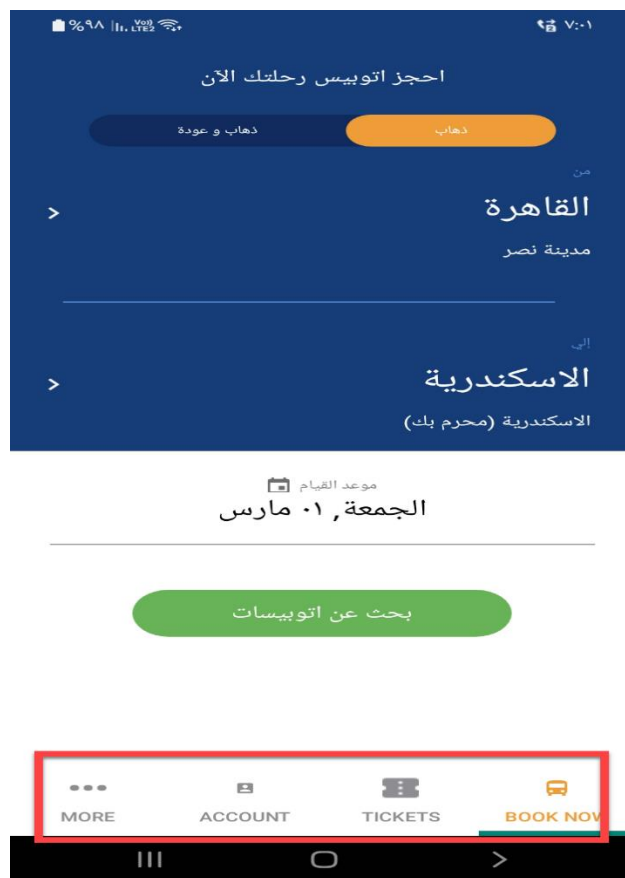

Expected:

The tabs on the home page should display in Arabic according to the app language.

Actual:

The tabs on the home page continue to display in English, However the app language is Arabic.

Bug 02

Title: There's no validation on the empty destination fields (من → الى)

Application Name: GO Bus

Platform: Android

Android Version: 11

Application Version: 3.2.9

Severity: Moderate

Priority: High

Steps to Reproduce:

- Open the GO Bus application for the first time.
- Disable access to location and internal storage.
- Navigate to the "Book Now" tab.
- Open the "Ticket" tab.
- Return to the "Book Now" tab.
- Observe that the destination data (من → الى) has been cleared.
- Click on "بحث عن اتوبيسات".

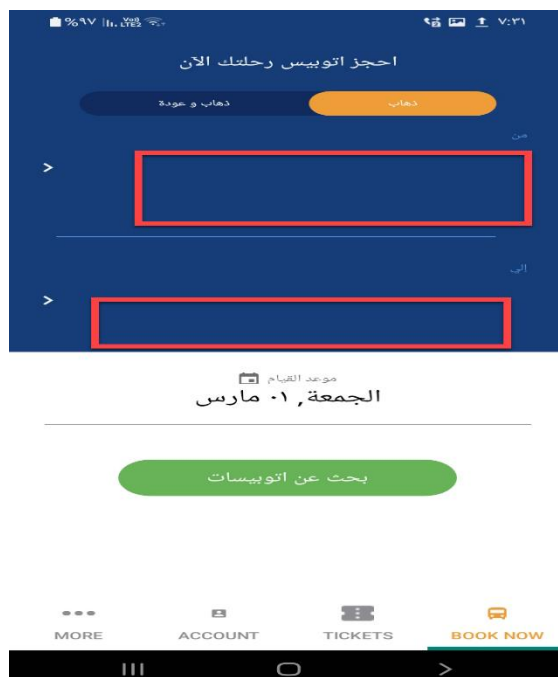

Expected:

After clicking on "بحث عن اتوبيسات", the application should validate the destination fields (من → الى) and prompt the user to fill them in if they are empty.

Actual:

There's no validation on the empty destination fields (من → الى), allowing users to proceed with the search without entering the required information.

Bug 03

Title: The "Read More" Button in "About Us" Section Not Clickable

Application Name: GO Bus

Platform: Android

Android Version: 11

Application Version: 3.2.9

Severity: Major

Priority: High

Steps to Reproduce:

Open the GO Bus application.

Navigate to the "More" tab.

Select "من نحن" from the options.

The "من نحن" page should load.

Attempt to click on the "قراءة المزيد" button.

Expected:

After clicking on the "قراءة المزيد" button, users should be able to access additional information or expand the content within the "من نحن" section.

Actual:

The "قراءة المزيد" button is unresponsive and cannot be clicked

Bug 04

Title: Incorrect Labelling of "فئات الاتوبيسات" in "More" Tab

Application Name: GO Bus

Platform: Android

Android Version: 11

Application Version: 3.2.9

Severity: Minor

Priority: Medium

Steps to Reproduce:

Open the GO Bus application.

Navigate to the "More" tab.

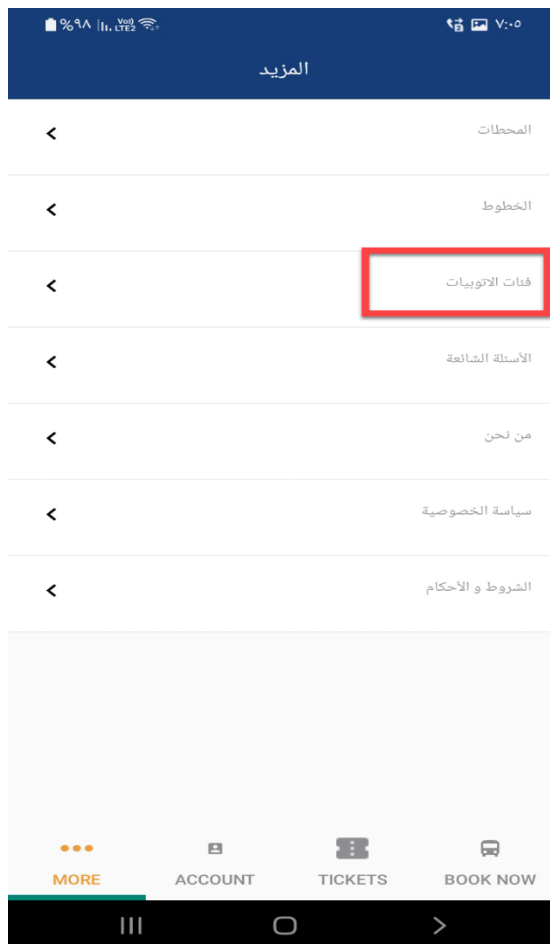

Actual:

The label "فئات الاتوبيسات" is incorrectly displayed.

Expected:

The label for bus categories should be displayed as "فئات الاتوبيسات".

Attachment:

Bug 05

Title: Failure to Notify User of Lost Internet Connection During Bus Search

Application Name: GO Bus

Platform: Android

Android Version: 11

Application Version: 3.2.9

Severity: Major

Priority: High

Steps to Reproduce:

Open the GO Bus application.

Navigate to the "Book Now" tab.

Select destination data (من → الى).

Disable Internet Connection.

Click on "بحث عن اتوبيسات".

Actual:

The application keeps loading indefinitely without notifying the user that the internet connection has been lost.

Expected:

When the internet connection is lost during a bus search, the application should promptly notify the user about the issue
